Jess

I saw I missed a call from you. Sorry I was outside I will keep my phone with me for the rest of the day if you need to call me back. Also my other cell is Ex. 5 Personal Privacy (PP) if you need it - it connects to my watch so is always with me.

The process you set out below is correct. I will make sure we have the cross reference you mention. The tribal specific template is the only other doc we are preparing. It will be based on and similar to the letter to the ACHP and we will drop in the tribe-specific comments. After we get mgmt review/sign off on the tribal RTC we will treat them as final and they won't be changed in the letters.

Please let me know if you need additional information.

DELIBERATIVE/INTERNAL

Hi Jeaneanne,

I'm wanting to check in on process for close out of tribal consultation. Is this correct?

Ex. 5 Deliberative Process (DP)

Please let me know if I have anything wrong in what I've laid out above. I just want to be sure I have a full understanding of next steps and end products here. Thanks so much!
